Observation: The Member Banks are requested to undertake this activity in mission mode.

Guidelines on Atal Pension Yojana (APY), PFRDA are as under:

Atal Pension Yojana, a GOI guaranteed pension scheme has crossed 10.27 Lacs subscribers registered as on 30.09.2025 in NCT of Delhi. But considering the potential customers of each bank, banks are still not actively participating in sourcing APY accounts in desirable manner.

Deptt.Of Financial Services (DFS), Ministry of Finance/ PFRDA monitor the progress of APY on a periodical basis but a very close monitoring at the levels of District and Block levels would help in activation of all Bank branches towards APY and facilitate reaching the target allotted to each bank by GOI. APY targets are allotted on yearly basis by DFS and the targets are based on the number of branches of each Bank.

Campaign of APY

The Member Banks and LDMS are requested to formulate appropriate strategies and take necessary steps to ensure the achievement of given annual targets.

Action Point: The Member Banks are requested to achieve their target in a mission mode.

Action Point:- The LDMs are once again requested to conduct more camps for creating awareness about Atal Pension Yojana.

The member banks are requested to:

1. Make a suitable strategy to achieve the target on quarterly basis.
2. Improve the performance in APY as per branch network and Private Sector Banks to rework their strategy so that the enrollment under APY by them can increase substantially.
3. Utilise the services of BCs/BFs for convincing the customers and making them aware about the benefits of APY
4. Increase the persistency of enrolled customers
5. Conduct camps/ workshops/ conferences & inviting customers to increase their awareness about the scheme which leads to better enrolment.

DCC/DLRC/ BLBC Convenor Banks are requested to incorporate APY as one of the important agenda for discussions and to monitor the performance of Banks as per the number of branches/ targets in each District or Block as the case may be. Since APY is a flagship GOI Pension Scheme, a concerted and collaborative action is required from all Banks and LDMs considering the huge pension coverage gap existing in the country.

Efforts for meeting the target and justifications/reasons are to be analyzed and report is to be submitted after conduct of meetings at Block and District levels. Periodical Report of APY progress is to be sent to Mission office (missionfi@nic.in) and PFRDA (apy@pfrda.org.in) & SLBC on slbc.delhi@pnb.co.in.

All branches of banks should achieve their annual targets as per its category i.e. PSB. Private Banks, or Coop banks.

- Involving banking correspondents (BCs) for sourcing APY.
- Establishing tie up by Banks with Non-Bank Aggregators/ MFI/ NGO for sourcing APY.
- Inclusive participation by Bank branches in various APY campaigns to increase the coverage.

BC Certification Framework:

In order to ensure the competence of BCs and to promote quality delivery of financial services, a graded certification/training programme for BCs had been introduced. This would enable BCs with a good track record and advanced training be entrusted with more complex tasks such as handling/delivery of financial products that go beyond deposit and insurance. The Reserve Bank issued the necessary framework for establishing a certification programme for BCs.

In the above backdrop, IBA had constituted an Independent Governing Council to develop standard course content that could be mandated as a Master Module for entry level examination for BC. As per mandate, the syllabus for Basic Certification Course was devised and IIBF had published the course in 2018 and also commenced holding examination for the purpose.

In the aforesaid framework for BC certification, RBI has made it mandatory for certification at entry level. Banks should, therefore, ensure that the BCs appointed by them either as individual BCs or through Corporate BCs are certified before commencement of operations. Existing BCs who are not certified will be required to get themselves certified within six months. As of now IIBF is the only institute entrusted to provide certification so as to maintain credibility, uniformity, standard and quality. IBA is in the process of deciding the contours of Advanced Level Certification.

AGENDA ITEM NO. 7-B	Lending towards government sponsored schemes (PMFME, DAY-NULM, MUDRA, Stand-up India, PMEGP, Start-up India, SHG, JLG etc)
----------------------------	-----------------------------------------------------------------------------------------------------------------------------------

PMFME- PM Formalization of Micro Food Processing Enterprises Scheme**Background:**

The unorganized food processing sector comprising nearly 25 lakh units contributes to 74% of employment in food processing sector. Nearly 66% of these units are located in rural areas and about 80% of them are family based enterprises supporting livelihood in rural household and minimizing their migration to urban areas. These units largely fall within the category of micro enterprises. Taking cognizance of the contribution of the unorganized micro food processing enterprises and the challenges that impede their performance, Ministry of Food Processing Industries (MoFPI) has launched "PM Formalization of Micro Food Processing Enterprises Scheme (PM FME Scheme)" through a package support and services. The objectives under the scheme, inter alia, include:

- (i) Capacity building of entrepreneurs through technical knowledge, skill training and hand holding support services;
- (ii) Increased access to credit to existing micro food processing entrepreneurs for technology upgradation;
- (iii) Support to Farmer Producer Organizations (FPOs), Self Help Groups (SHGs), Producers Cooperatives & Cooperative Societies along their entire value chain to enable microenterprises to avail common services.
- (iv) Support for transition of existing enterprises into formal framework for registration under regulatory framework and compliance;
- (v) Integration with organized supply chain by strengthening branding & marketing;

The Additional Secretary- MoFPI vide their letter dated 17.04.2025 allocated State wise targets of PMFME. It was also mentioned that as the PMFME Scheme is up to 31.03.2026, the left over target is to be achieved during current FY.

While enclosing bank wise pendency MoFPI advise as under:

1. The banks to fasten Sanction/Disbursement including pulling back from additional documents/not able to disburse and dispose of on merits.
2. The Banks to quickly and correctly upload Sanction/disbursement details on PMFME portal.
3. The DSIIDC to activate DRPs to handhold the beneficiaries to complete documentation at bank level.

Higher Education and Skill Development Guarantee Scheme of Govt. of NCT of Delhi for Pursuing Higher Education in Delhi:

Government of NCT of Delhi has launched Higher Education and Skill Development Guarantee Scheme in Delhi for pursuing higher education. A meeting was held on 25.07.2019 under the chairmanship of Hon'ble Chief Minister to review the performance / implementation of "Delhi Higher Education and Skill Development Guarantee Scheme (Student Loan Scheme)".

During the course of the meeting following concerns have been observed by Hon`ble Chief Minister:

1. Small number of applications received over the years clearly indicates that there is lack of awareness about the scheme among the target groups and as such the scheme needs to be adequately publicized.
2. High level of cancellation and rejection of the loan applications indicates that the loan executing/ disbursing authorities needs to be well informed and sensitized about scheme.

Accordingly, following decisions taken during the aforesaid meeting are required to be followed expeditiously:-Department of Higher Education shall prepare a comprehensive plan for giving wide publicity to the scheme in order to ensure that the probable beneficiaries and target groups are made well aware of the financial support from the Government.

1. The aforesaid plan should also include the following suggestions which were given during this meeting:-
 - (a) Camps are organized in academic institutions particularly at the time of the beginning of academic year and also intermittently in order to facilitate the applicants within such institutions to apply under this scheme and avail benefits. Such camps should also be organized in the participant banks so that the concerned staff of the bank is made aware of the scheme and the pending forms are processed expeditiously.
 - (b) All academic institutions/colleges should designate a loan facilitating officer who shall coordinate with the applicants on one hand and concerned bank on the other hand. His job would not only be limited to facilitate the loan disbursement but he shall also be responsible for disseminating information about the financial assistance under the scheme to the students.
 - (c) Information boards depicting salient features of the scheme should be displayed in all bank branches for information to all.
 - (d) Information boards should also be placed at prominent locations in the academic institutions/colleges for information of the beneficiary students.
 - (e) The Higher Education Department should take up the matter with Directorate of Education to disseminate information regarding the scheme to the students of 9th class and above. This would inspire the students to prepare/opt for professional courses of their own choice without being discouraged under any financial compulsion.
2. The Higher Education Department should carry out detailed analysis of rejected cases and move proposal for making necessary amendments in the existing scheme to make it more convenient and hassle free and easy for the beneficiaries.
3. A feedback mechanism in respect of this scheme should be set up by the Higher Education department. The beneficiaries of the scheme should be contacted in order to establish a robust feedback mechanism. Further, while reviewing the rejected applications, the department should seek feedback from the concerned applicants to identify wrong rejections and to help such applicants to re apply under the loan scheme. Feedback mechanism would go a long way to remove the hindrances that the applicants face.
4. Report on feedback analysis and the performance of the scheme should be submitted by the Higher Education Department to GNCTD on weekly basis.

AGENDA ITEM NO. 9	Position of NPAs in respect of schematic lending, Certified Cases and Recovery of NPAs
--------------------------	-----------------------------------------------------------------------------------------------

The Banking Sector is the lifeline of a country's economy and directly affects its growth and development. In order to ensure continuous growth it is important that banks are robust in managing the stress, particularly caused by NPAs.

Recovery of Advances

Timely recovery of loans is essential for financial institutions to complete the credit cycle. Loans are assets in the books of banks which accrue interest income. Any loan and advance turning into NPA affects the earning of interest and consequently profitability. The NPAs affect the lending capacity of the banks, therefore affects the potential genuine borrower as well. It has assumed greater importance ever since IRAC and capital Adequacy Norms have been made the essential parameters for judging the health of Banks. The increasing NPAs have been a major cause of concern for the banks.

Recovery Position:

The statements showing recovery position of various Banks in the NCT of Delhi under Agriculture and PMEGP are given at Annexure-61 and 62.

The summarized position is given as under:-

2380	1696	933	1755	1438	682	73.74	84.82	73.13

In Agriculture advances, the recovery % decreased from 73.74% to 73.13% on YoY Basis. It increased from 84.82% to 73.13% on QoQ Basis.

AGENDA ITEM NO. 22	CERSAI-Central KYC Record Registry (CKYCR)
---------------------------	---------------------------------------------------

Central KYC Record Registry (CKYCR)

The **Central KYC Record Registry (CKYCR)** is a centralized system introduced to simplify and streamline the process of **Know Your Customer (KYC)** compliance and caters to the Regulated Entities of all four Financial Sector Regulators. This initiative aims to create a centralized repository where individuals' and legal entities KYC details are stored in a digital format. The goal is to make KYC processing more efficient, secure, and easily accessible.

Key Features and Purpose:

- Centralized Repository:** CKYCR is intended to centralize KYC data, which includes identity and address details of individuals, Officially Valid Documents, that financial institutions previously had to collect individually.
- One-Time KYC Process:** Once an individual completes their KYC at one institution, they do not need to undergo the same process repeatedly with other institutions. Institutions can simply access the CKYCR to verify KYC details.
- Digital KYC:** KYC data stored in the CKYCR is in a digital format, making it easier for various financial institutions to retrieve and validate KYC information in real-time. This reduces the time and effort needed to process KYC information.
- Compliance with Regulations:** Financial institutions in India must adhere to RBI's guidelines for KYC compliance, and the CKYCR helps institutions meet these regulatory requirements more effectively and securely.
- Reduction in Fraud:** With a centralized system for KYC, there is less chance for discrepancies or fraudulent documentation. Financial institutions can cross-check the KYC data with the central registry to confirm an individual's details, reducing the risk of identity theft or fraud.

Process for CKYCR:

- **Upload:** Customers submit their KYC details at the time of establishing account based relationship (OVDs) to their respective financial institutions (banks, insurance companies, etc.), which then upload the information to the CKYCR.
- **Search and Download:** Once an individual's KYC is uploaded, financial institutions or other authorized entities can access this information with the customer's consent. This allows for quicker onboarding for new customers or for institutions seeking to update their customer records.
- **Updation:** If there are any changes in the customer's KYC details (such as a change of address or name), the individual can update the information with one financial institution, which will then update it across the system.

Benefits of CKYCR:

1. **Efficiency:** It makes the KYC process faster by reducing the need for customers to submit their details repeatedly across multiple institutions.
2. **Convenience:** Customers need to provide their KYC details once, after which they can access services from any participating institution without undergoing the entire KYC process again.
3. **Cost-Effective:** Financial institutions save time, resources, and costs associated with maintaining physical records and conducting repeated KYC checks.
4. **Better Compliance:** Institutions find it easier to comply with KYC norms and regulatory frameworks, especially regarding anti-money laundering (AML) and combating the financing of terrorism (CFT).
